Hi Jayne,

As discussed, here's the consent form. Feel free to make any modifications that are appropriate at this time.

BTW - I am trying to arrange a meeting with Principal Martin at MacGregor tomorrow Friday morning. Are you available?

Thanks,  
Dave

Thank you for sharing.

For ease of record keeping, I would suggest putting the participant name on top of form.

Also may wish to consider adding:  
i. a "usually called". I found in the past working with some of the children from different countries give themselves a "Canadian name"  
ii. request address  
iii. I found these days many forms request both parents names and addresses similar
